## Safety Statement

The Board of Management brings to the attention of its staff the following arrangements for safeguarding the safety, health and welfare of those employed and working in the school.

This policy requires the co-operation of all employees. It shall be reviewed annually or more frequently if necessary, in the light of experience, changes in legal requirements and operational changes. A safety audit shall be carried out annually by the Board of Management Health and Safety Officer and the Staff Health and Safety Representative and a report made to the Board. All records of accidents and incidents will be reviewed at least annually by the Board of Management Health and Safety Officer in order to ensure that any safety measures required can be put in place to minimise the recurrence of such accidents and ill-health.

The Board of Management of The Red Door School wishes to ensure that as far as is reasonably practical:

- The design, provision and maintenance of all places in the school shall be safe and without risk to health.
- There shall be safe access to and from places of work.
- Plant and Machinery may be opened safely in so far as is possible.
- Work systems shall be planned, organised, performed and maintained so as to be safe and without risk to health.
- Staff shall be instructed and supervised in so far as is reasonably possible so as to ensure the health and safety at work of its employees.
- Protective clothing or equivalent shall be provided as is necessary to ensure the safety and health at work of its employees.
- Plans for emergencies shall be complied with and revised as necessary.
- This statement will be continually revised by the Board of Management as necessity arises, and shall be re-examined by the Board on at least an annual basis.
- Employees shall be consulted on matters of health and safety.
- Provisions shall be made for the election by the employees of a Staff Health and Safety Representative.

The Board of Management of The Red Door School recognises that its statutory obligations under legislation extends to employees, pupils, to any person legitimately conducting school business, and to the public.

The Board of Management of The Red Door School undertakes to ensure that the provisions of the Safety, Health and Welfare at Work Act 1989 are adhered to:

### Duties of Employees

It is the duty of every employee while at work:

- (a) to take reasonable care for his/her own safety, health and welfare, and that of any person who may be affected by his/her acts or omissions while at work.
- (b) To co-operate with his/her employer and any other person to such extent as will enable his/her employer or the other person to comply with any of the relevant statutory provisions.
- (c) To use in such manner so as to provide the protection intended, any suitable appliance, protective clothing, convenience, equipment or thing provided (whether for his/her lone use or for use by him/her in common with others) for securing his/her safety, health or welfare at work.
- (d) To report to the Board of Management without unreasonable delay, any defects in plant, equipment, place or work, or system of work, which might endanger safety, health or welfare of which he/she becomes aware.

No person will intentionally or recklessly interfere with or misuse any appliance, protective clothing, convenience or other means or thing provided in pursuance or any of the relevant statutory provisions or other wise, for securing safety, health or welfare or persons arising out of work activities.

Employees using available facilities and equipment provided should ensure that work practices are performed in the safest manner possible (see section 9 of safety, health and welfare at Work Act 1989).

### **Consultation and Information**

It is the policy of the Board of Management of The Red Door School to consult with staff with regard to safety issues as they arise, and to give a copy of the safety statement to all present and future staff, and to convey any additional information or instructions regarding health, safety and welfare at work to all staff as it becomes available. Health, safety and welfare at work will be considered in any future staff training and development plans.

### **Hazards**

Hazards shall be divided into two categories. Those which can be rectified will be dealt with as a matter of urgency. Those that cannot will be clearly indicated and appropriate procedures listed beside them. All hazards shall be eliminated in so far as resources and circumstances allow.

### **Fire**

It is the policy of the Board of Management of The Red Door School that:

1. An adequate supply of fire extinguishers, suitable for the type of fires likely to occur in each area, is available, identified and regularly serviced by authorised and qualified persons. Each fire extinguisher shall have instructions for its use. The Health and Safety Officer should ensure that servicing of fire extinguishers should take place annually.
2. The principal will ensure that fire drills shall take place at least once a term.
3. Fire alarms shall be clearly marked. (Responsibility of Staff Health and Safety Representative)
4. Signs shall be clearly visible to ensure that visitors are aware of exit doors and routes. (Responsibility of Staff Health and Safety Representative)
5. All doors, corridors, and entries shall be kept clear of obstruction and shall be able to be opened at all times from within the building. Each teacher who has an exit in her classroom must ensure it is kept clear. P.E. hall and main door – Principal will see they are free of obstruction.
6. A plan of the school shows assembly points outside the school.
7. Assembly areas are designated outside each building, and the locations specified.
8. Exit signs shall be clearly marked. (Responsibility of Staff Health and Safety Representative)
9. All electrical equipment shall be left unplugged when unattended for lengthy periods and when the building is empty. Teachers are responsible for their own classroom. The secretary/Principal, as appropriate, is responsible for the office. Staff room is every teacher's responsibility. Cleaner to check when cleaning.
10. Bottled gas shall be stored in a secure place in such a manner as to minimise the danger of explosion in the case of fire.

11. Principal shall be responsible for fire drills and evacuation procedures.
12. All recommendations made by a local Fire Officer in addition to these provisions shall be implemented.

The following hazards (in so much as can be identified) are considered by the Board of Management to be a source of potential danger and are brought to the attention of all concerned:

- Power supply cables/leads are in tact and free of cuts or abrasions.
- Unplug leads of appliances when not in use.
- Suitable undamaged fused plug tops are used and fitted with the correct fuse.
- Follow official guidelines issued by the Health and Safety Authority.

### **Chemicals**

It is the policy of the Board of Management of The Red Door School that all chemicals, photocopier toner, detergents etc be stored in clearly identifiable containers bearing instructions and precautions for their use and shall be kept in a locked area, and protection provided to be used when handling them.

### **Drugs and Medication**

It is the policy of the Board of Management of The Red Door School that all drugs, medications, etc be kept in a secure cabinet, locked at all times and the key kept in a separate and secure place and used only by trained and authorised personnel.

### **Welfare**

To ensure the continued welfare of the staff and children, toilet and cloakroom areas are provided. A Staffroom separate from the work area is provided, where tea and lunch breaks may be taken. Staff must co-operate in maintaining a high standard of hygiene in this area.

A high standard of hygiene must be achieved at all times. Adequate facilities for waste disposal must be available. An adequate supply of hot and cold water, towels and soap and sanitary disposal facilities must be available.

Members of staff and pupils are reminded:

- (a) A person who is under medical supervision or on prescribed medication and who has been certified fit for work, should notify the school of any known side effect or temporary physical disabilities which could hinder their work performance and which may be a danger to either themselves or their fellow workers. The school will arrange or assign appropriate tasks for the person to carry out in the Interim.
- (b) Staff and pupils are not allowed to attend the premises or carry out duties whilst under the influence of illicit drugs or alcohol. Any person found breaking this rule will be liable to disciplinary action.

### **Highly Polished Floors**

It is the policy of the Board of Management of The Red Door School that every attempt will be made to avoid the creation of slippery surfaces. The washing of floors shall be conducted, as far as is possible, after school hours to eliminate as far as possible, the danger of slipping. Where floors are wet, warning signs regarding wet floors shall be used. Attention is drawn to the possibility of outside floors and surfaces being affected by frost in cold weather, and staff and pupils shall be told to use handrails when going up or down stairs.

### **Smoking**

The Red Door School is a non-smoking area in line with statutory requirements.

### **Broken Glass**

The Board of Management shall minimise the danger arising from broken glass. Staffs are asked to report broken glass to the Principal so that it may be immediately removed.

### **Visual Display Units**
